Directions to the Office

Hwy 101 coming from the North: *(From San Francisco, San Mateo County and much of the East Bay):*

Take Hwy 101 going South. Stay in the right two lanes and exit to the right onto Hwy 85 (South) which is marked as Hwy 85 (South)/Cupertino/Santa Cruz (Exit 398 B). Go past the Central Expressway exit on Hwy 85 and take the **second** exit which is called North {82} Junction/El Camino Real/Grant Road/Exit 22A. The first light you come to will be El Camino Real. Go up Grant Road 5 more street lights (1.0 miles) and turn right on South Drive. Go past El Camino Hospital to the end of South Drive. The Orchard Creek Medical Center is the last building on the left. Our office is on the ground level.

Hwy 101 coming from the South: *(San Jose, San Jose International Airport, Santa Clara, Monterey)*

Take Hwy 101 going North. Exit at 237 West (Mountain View-Alviso Road) towards Mountain View. Follow this road for 4-5 miles. Cross over El Camino Real. (Past this intersection, the street changes its name to Grant Road.) Go up Grant Road 5 more street lights (1.0 miles) and turn right on South Drive. Go past El Camino Hospital to the end of South Drive. The Orchard Creek Medical Center is the last building on the left. Our office is on the ground level.

Hwy 280 coming from the North: *(San Francisco, SF International Airport, San Mateo County)*

Exit at Magdalena Avenue. Turn left onto Magdalena at the stop sign.

Continue past the lights at Foothill Expressway and Fremont Avenue (Magdalena changes names to Springer Road.) Go past the stop sign at Berry and turn right on Covington Road. Please note this is a *25 MPH zone* that is carefully patrolled and takes you by a school. Turn left when Covington dead ends at Grant Road. Go 0.1 miles and turn left onto South Drive. Go past El Camino Hospital to the end of South Drive. The Orchard Creek Medical Center is the last building on the left. Our office is on the ground level.

Hwy 280 coming from the South: *(Santa Cruz, Saratoga, Los Gatos)*

Exit on HWY 85 North (Mtn View), take the first exit which is Fremont Avenue. Turn left at the street light, onto Fremont Avenue for 1.0 miles. Turn right onto Grant Road and continue on Grant Road for 1.0 miles. Turn left on South drive. Go past El Camino Hospital to the end of South Drive. The Orchard Creek Medical Center is the last building on the left. Our office is on the ground level.

Special note from the East Bay:

You may take the SF-Oakland Bay Bridge, San Mateo Bridge, or Dumbarton Bridge and follow directions "**Hwy 101 from the North**"

OR

You may take Hwy 880 to Hwy 237 West/Mountain View. Cross over El Camino Real. (Past this intersection, the street changes its name to Grant Road.) Go up Grant Road 5 more street lights (1.0 miles) and turn right on South Drive. Go past El Camino Hospital to the end of South Drive. The Orchard Creek Medical Center is the last building on the left. Our office is on the ground level.
